EDUCATION

ACADEMLO

Full-Stack Development with React and NodeJs

Graduated December 2022

UNIVERSITY JORGE TADEO LOZANO

Bachelor of advertising

Graduated November - 2015

I am a Senior Executive with expertise in React development, Node.js, and graphic design. With a passion for creating visually stunning and highly functional applications, they excel at the intersection of technology and creativity. In addition to their coding skills, they are an excellent communicator and problem-solver who enjoys collaborating with cross-functional teams to deliver projects on time and within scope. Their strong leadership skills enable them to effectively guide and inspire teams towards achieving common goals, prioritizing clear communication, and fostering a collaborative environment where everyone's contributions are valued.
